Hony: Asst Surgeon, 5th class. The file relating to this subject is pending x final orders.

The promotion recommended to Miss Pahuan is similar to that proposed to be given to Mrs Rodrigues. Besides Mrs Rodrigues & Pahuan there are three more Lady Apothecaries drawing Rs 150 & if they are promoted to the Hony: grade as vacancies occur in the grade, the Senior Sub Asst Surgeons & 1st class Sub Asst Surgeons cannot hope to receive promotion for a long time to come. In his present letter the Senior Surgeon states that there is no one in the grade of Senior Sub Asst Surgeons who possesses any special merit to deserve promotion to the Hony: grade.

2) Subtd for orders. Promotion to the Senior grade of Sub Asst Surgeons having been made on ground of efficiency & merit, why none of these the Senior Sub Asst Surgeons is considered to be undeserving of promotion to the Hony: grade seems to require explanation

3) The Honorary Assistant Surgeon's grade is not reserved for the Senior Sub-Asst Surgeons alone. It is open to both the Sub-Asst Surgeons and the Apothecaries and as such there seems to be no objection to the promotion now recommended

10) No doubt the Government Order of the 23rd September 1897 provides for an Apothecary being appointed to the grade of Honorary Assistant Surgeon; but the Senior Surgeon's present proposal which in no way materially benefits Miss Palman seems rather hard on the Sub Assistant Surgeons, as their chances of promotion will thereby be blocked up. The Senior Surgeon may therefore be asked to recommend one of the Senior Sub Assistant Surgeons for the vacancy.

11) If the Senior Surgeon considers that the Lady Apothecaries are entitled to consideration by the long service they have put in on the maximum pay allowed to them and are deserving of being treated as graded medical officers, he may submit separate proposals in the matter.

12) As regards Mrs. Rodrigues, the Senior Surgeon may be informed as suggested in the Secretary's note above.

Secretary to the Government of

General Deptt., Bangalore.

Sir,

In continuation of this office letter No. of this date, I have the honor to report that there is a vacancy in the grade of 6th class of Honorary Assistant Surgeon on Rs.100 per month, caused by the death of Mr. F. Chambers, reported in this office letter No. G 529 dated 23-5-16 There is no one in the grade of Senior Sub Assist-Surgeons who possesses any special merit to deserve promotion to the Honorary Grade.

file to be put with key

There are, however, 5 first class Lady Apothecaries in the service who have rendered more than 20 years of good service and the most junior of whom has been drawing her pay of Rs.150 for the past six years, without any near chance of promotion. The Senior, Mrs. Rodrigues has been recommended for the vacancy in the 5th class of Honorary Assistant Surgeons.

For similar reasons I strongly recommend the appoint ment of Miss. E.L.Palman, the next in the list of Lady Apothecaries, as Honorary Assistant Surgeon, 6th class on Rs.100 with a personal allowance of Rs.50, to make up the pay she is at present drawing.

Although the promotion will not give any material advantage to these Lady Apothecaries beyond the status of Honorary Assistant Surgeon (or Assistant Lady Medical Officer)
